18 ▼ 42 and going as a solo introvert as well. I'd love to bring my kids and my dad but I wouldn't want to put my family in a bad spot. But I went to the July 4th in 2019 in DC and the patriotism Was off the charts. I expect the same this time. You will be with 10 million of your closest friends.

13 ▼ Im going to do my best to get there. Going as far as my thumb will take me. Bet the politicians think " they won't show up, we have made most of them penniless with these lockdowns so how will they afford travel?" I think they misunderstand our determination, and im an introvert too. Shows how far they've pushed some of us i think.

9 ▼ Yea I'm going solo from Los Angles. My girlfriend's friend knows some people coming in form TX that are staying at the same hotel as I am so I'll met them. Hope it's more than just us 5 or 6, but we'll do what needs to be done : /

▼ Introverts will walk around as observers...I'd like to meetup with fellow Patriots...and not get lost in a bazillion people.
